## TRIALS

I recommend that all brides book in for a trial with their makeup artist prior to their wedding. Not only does it give us an opportunity to collaborate to create your desired look in order to ensure that the wedding morning is as streamlined as possible, but it also allows us to be acquainted before the big day. Your being as comfortable and relaxed as possible on the morning of, is always one of my highest priorities.

Your trial will be completed at either my own premises in Cottesloe, Perth or at a pre-approved location subject to a travel fee.

Please allow an hour and fifteen minutes for each individual trial.

I recommend;

- Bringing as many inspirational makeup images as you can.
- Wearing the colour you will be getting married in.
- If opting for a spray tan, taking this opportunity to trial it a day before our booking. This will give me the opportunity to colour match your foundation for the day.

Unfortunately, I do not retail any products but we can discuss during the trial any purchases you might want to make for the day. Alternatively, if you have a product you prefer to use, please bring this along to the trial.
